

Introduction...

to the season

Ashley Wells draws on her established European fashion career to create distinctive collections for The Earring Boutique. Scouring the globe for the beautiful and unique, each design is a true statement piece which captures the beauty of SWAROVSKI ELEMENTS.

Ashley has created four exclusive collections for SS12 – Antibes, Lumiere, Zanzibar and Belle Epoque. This season offers new accessories with beautifully set SWAROVSKI ELEMENTS. Each collection has a distinctive take on the key trends with a clear focus on contrasting metallic plates, vivid shots of colour and a merge of contemporary and vintage inspired design.
